Catering Plus' job is to find a special place for your wedding to take place, that means your home or one of our venues.

Location

Whatever your style *Catering Plus* can help find a venue that meets that need. Many of our venues are off beat and some are dazzling for example the World's Fair Pavilion, and the Jewel Box are perfect for a wedding and the Old Post Office has an urban chic feel as does the Kemp Auto Museum.

Food

Catering Plus can provide custom menus for your wedding that fits your needs, may they be down home or very elegant.
